

Lois At A Spooky House

Today, Lois is going to a spooky house “Did you pack your bags,” asked Lois’s mom. “Did you pack your *Ghost Repellent* ?” Lois’s mom took a left and arrived at an old spooky house. “Of course! Why not, it’s my first time at a spooky house!” Lois was so excited! She couldn’t wait to get inside the house.

At the front of the rotting garage , Lois’s mom got out of the car. As Lois also got out she grabbed her bags and gave them to her mom. “Lois,” said Lois’s mom. “I’m going to go find us a room, you stay here and start looking around.” Lois’s mom walked inside.

Lois looked around at the house and thought about what she was going to look at first.”A-Ha!” she yelled as she ran towards the old kitchen. She went back to the car and pulled out an extra bottle of *Ghost Repellent*.

Lois ran back to the old kitchen and started opening the cupboards. When she finally opened the fridge

door, there was a horrifying monster. She looked at it and quickly closed the fridge door. She remembered the slimy pink brain with eyeballs and long tentacles. Lois opened the fridge door again but didn't see the monster. She was horrified.

There was her mother out the window! Lois ran to her mother and gave her a hug.

For the rest of the trip Lois had fun spraying ghosts with the *Ghost Repellent*.
