Spanish Books in the World Language Collection

Below is a list of books in Spanish that are part of our new World Language Collection, sponsored by a grant from the Barbara Bush Literacy Corps.

The Spanish books are located with the rest of Larry J. Ringer Library’s Spanish collection; children’s Spanish books are near the front of the library, and adult Spanish books are near the back of the library. There is a bookplate inside the book and a note in the catalog entry to indicate that these books were purchased with funds from the Barbara Bush Literacy Corps.

You may also want to check the rest of our Spanish collection. You may request books from the Larry J. Ringer Library in College Station or from the Clara B.
